PACKS

## GENERAL INFORMATION

### What is a Party Pack?

DVTL has prepared these Party Packs with fun in mind. Suitable for a range of ages, our Party Packs have been chosen to fit with popular party themes. In them you might find big toys or ride ons, tents and tunnels, roller coasters and much more! Find great toys for your next birthday party, family picnic or parents' group celebration. We have tried to keep hire costs down to a minimum as we know how expensive parties can get. Borrowing is also much more environmentally friendly than buying big toys! Our Party Packs come with ideas for games and activities as well.

Our current packs are:

1. **Thomas and Friends Pack** – ride Thomas, play in the ball pit or fly down a rollercoaster!
2. **Teddy Bear's Picnic Pack** – dress your little one up as a teddy and watch them have fun with the tea sets, giant teddies and play tent.
3. **Fairy and Unicorn Party Pack** – Ride on unicorns, gorgeous costumes, dancing ribbons and a tent fit for a fairy princess
4. **Build it Party Pack** – Giant construction bricks and sets for your budding builders.
5. **Dancing and Music Party Pack** – a great selection of shakers, ribbons, parachute and giant floor keyboard. Don't forget the disco lights!
6. **Water Play Party Pack**– water toys to suit a range of ages.
7. **Pirate Party Pack** – climb the giant pirate ship, dress up as a pirate or be made to walk the plank!
8. **Backyard Sports and Games Pack** – active games and giant board games make this kit a real winner.
9. **Soft Play Party Pack** – a fun collection of soft cubes and a giant tube to roll in or climb through

10. **Make Believe Party Pack** – bring your imagination to life! Three play tents (rocket, car and fire engine) and an assortment of costumes and hats

11. **Retro Games Party Pack** – old fashioned fun! Limbo, giant “jenga”, egg and spoon race and loads more.

See following pages for a more detailed list and images.

We also have a range of additional party items for hire, such as chairs and tables, cake tins and a few large play items.

## How do I book?

To book, first please read this document in full, then email [hello@diamondvalleytoylibrary.org.au](mailto:hello@diamondvalleytoylibrary.org.au). Please include the following information in your email:

- 1) Your full name and Toy Library Member number:
- 2) Dates you would like to collect the items (note that a 7 day loan period applies):
- 3) List of Party Packs and/or Items you would like to borrow:

You will receive an email in response which will confirm whether the item/s are available. Note that this may take up to 7 days. You cannot book in person at the Toy Library, though Toy Library staff can email on your behalf if you don't have access to email.

Bookings are not confirmed until:

- 1) Membership is fully activated and paid for
- 2) Email confirmation of availability is received
- 3) Payment is received (at least 7 days before collection date)

Party packs need to be reserved at least a fortnight in advance of the booking date and a maximum of 12 months in advance. This allows time for administration, payment and confirmation, as all DVTL staff are volunteers.

Bookings are made on a "first come, first served" basis. Payment must be made at least one week prior to the booking start date, however the booking is not considered to be confirmed and the items are not reserved until payment is made. Items cannot be reserved without a valid membership. Please nominate a collection date at the time of enquiry.

## When can I pick up and return Party Pack items?

It is the borrower's responsibility to arrange collection and safe return of items during Diamond Valley Toy Library opening hours (see [www.diamondvalleytoylibrary.org.au](http://www.diamondvalleytoylibrary.org.au)). Returns are not accepted outside opening hours or by the lending Library (YPRL). Party Packs are not loaned out over the Christmas period.

## How do I get my Party Pack items home?

DVTL is volunteer run and we are unable to offer delivery services. Note that some items (e.g. Play Gym, Pirate ship, soft play kit, party chairs) are very bulky and come in multiple parts. Handle items safely: be aware of your personal capacity to lift heavy items. Ensure that your vehicle has the space to transport items and that you allow safe transport so that toys are not broken en route. Ideally, arrange to have someone with you for transportation or be ready to make multiple trips and have both hands available. A trolley is usually available for transportation to vehicles, however this trolley remains in the Toy Library for others to use.

## How long can I keep the Party Toy/s?

The loan period is seven days and commences on the day the item is booked for collection. If you are unable to collect your items on the booking date your booking may be cancelled without refund or offered for a reduced duration. For an additional (double) hire fee, items can be retained for an additional seven days. Items must be returned clean, with all parts in place, and in good condition.

## Can I view the items prior to hire?

Most of the items are stored disassembled in a shed separate to the Toy Library. Full details are provided in the detailed Party Pack Guides. Any additional queries can be directed to our email address. It is recommended that Hirers start their Party Pack loan a couple of days before the special event, to allow for assembly and experimentation. We suggest that bookings should end a few days after the party; this gives borrowers time to clean and sort items prior to return. The bubble machine will need to be inverted and drained for 24 hours prior to return.

## Can my organisation/centre hire the party packs for a special event?

Yes, organisations can also join DVTL on a short or long term basis and have access to the Party Toys. Note that these toys are suitable for small groups and not major events with high traffic. If you are planning an outdoor event, please enquire as to the suitability of items for outdoor use.

## Banyule Toy Library members

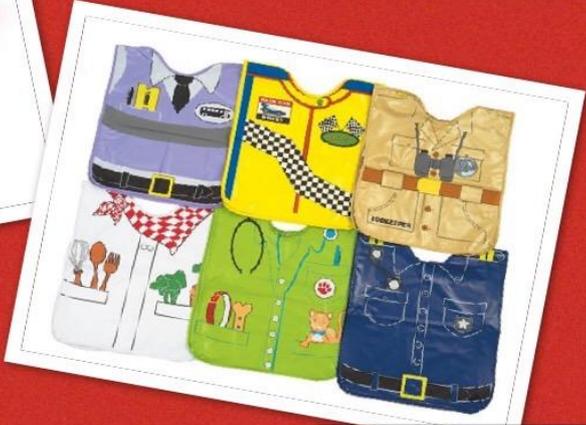

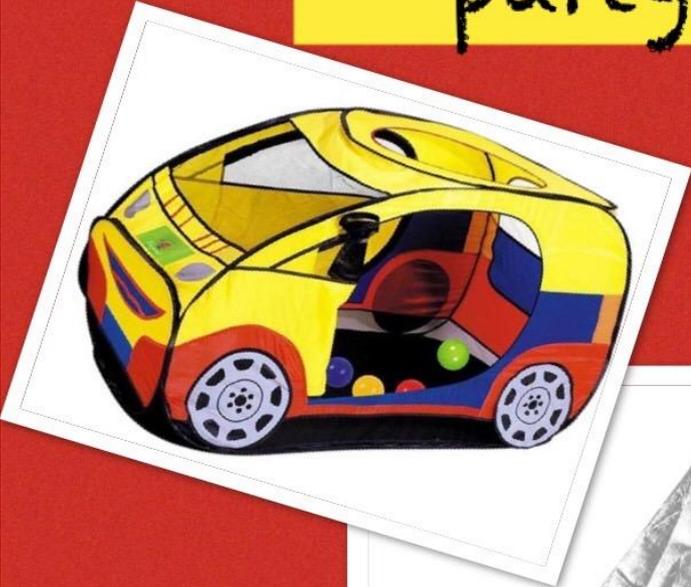

Banyule Toy Library members have reciprocal borrowing rights. To borrow a Toy, please email your Toy Library Coordinator and arrange for them to contact DVTL. Your personal details (name, address, contact numbers and email) will then be added to our membership database on a temporary basis. Note that this only gives access to Party Pack borrowing and not to the standard toy collection. Hire fees as listed apply.
